

INSIDER NJ

About Us

We will find our way into the conversation.

Insider NJ will be on our cities' streets, under the Gold Dome, in the suburban town halls, fairgrounds, county conventions, and diner booths of political inquiry and intrigue. We live in a state saturated with politics, and we are interested in all of it. We will sort it out for you respectfully, accurately and impartially, usually in real-time, providing you with the knowledge you need, when you need it.

The Diner Booth yields the rumor of a run for office, or the intentions of a county chairman, the conversation overheard, the threat leveled or the plot hatched - or nearly hatched.

Whatever happens behind the scenes in Trenton at any given moment will find it's way into the Caucus Room.

New Jersey's cities offer their own grainy local politics that keep us preoccupied daily in City Confidential.

Edward Edwards, named for NJ's 37th Governor, employs state history to contextualize moves-making and strategy.

Insider NJ also features regular Power Rankings and lists, Guest Columns by leading insiders, a Press Release section, a weekly Who's Up and Who's Down, Fight of the Week, and a bi-monthly County Party Round-up.
