

**National Office of Our Revolution Endorses Cindy Matute-Brown
Candidate for West Orange Town Council**

The national political organization Our Revolution today endorsed the candidacy of Cindy Matute-Brown for West Orange Town Council. Our Revolution has three intertwined goals: to revitalize American democracy, empower progressive leaders and elevate the political consciousness. Our Revolution's national office receives thousands of local endorsement requests each year at the request of local chapters, but few receive the endorsement.

Cindy Matute-Brown said, "I so appreciate the endorsement of Our Revolution and I share their goals. We need to continue to elevate political consciousness, nationally and locally, and to encourage and empower our neighbors to engage in the political process at all levels."

"On West Orange Town Council I will work to help ensure that our municipal government works on behalf of our residents to stabilize the tax base. We need to maintain a sustainable environment in our town and we have to make sure that our kids receive a first class education so that West Orange remains a town we all want to live in and can afford. I look forward to talking to as many West Orange residents as I can in the coming days and I hope to count on your vote on election day - Tuesday November 6th!"
