Mr. Gramiccioni,

I was troubled to recently learn of disturbing allegations of property tax fraud perpetrated by members of the Ocean Township Council, detailed in a recent lawsuit filed against the Township by an ex-employee. The lawsuit describes that certain members of the Township Council attempted to have individuals removed from the property tax rolls.

Therefore, I am formally requesting that your office launch an immediate investigation into this potentially criminal act.

Thank you in advance for your swift attention to this matter. Please don't hesitate to contact me with any follow-up questions.
