Honorable Phil Murphy
Office of the Governor
PO Box 001
Trenton, NJ 08625

Dear Governor Murphy:

This week has been one of the rainiest weeks in South Jersey memory, and overnight rains have inundated communities along the Delaware River and beyond. Ongoing flooding has forced the closure of roads in Burlington, Camden and Gloucester Counties, PATCO services have been suspended, cars have been overturned and thousands of residents are struggling – all while heavy rain is still in the forecast.

I therefore urge you to issue a major disaster declaration to help provide resources for those living in Burlington, Camden and Gloucester Counties and ensure that our municipalities and emergency management offices have access to all necessary funding sources to meet their needs for an efficient response that keeps residents safe.

Thank you for considering this request on behalf of the people I represent. Let's swiftly address the challenges presented by the storms this week.

Sincerely,
