Dear Sisters and Brothers:

On behalf of AFSCME New Jersey Council 63 I am proud to announce that we have endorsed Liz Casey and Joyce Gould for Cape May County freeholders. Liz and Joyce appreciate the services that AFSCME who members live and work in Cape May County provide for the people of the county.

Cape May County workers deserve independent voices on the freeholder board. Liz Casey and Joyce Gould will provide those independent voices on the freeholder board by:

- **Treating AFSCME members with the respect and dignity they deserve.**
- **Creating a better work environment for county workers by compensating and promoting County employees based on merit, not favoritism.**
- **Prohibiting nepotism and conflicts of interest among county officials by ending political jobs and using a fair hiring process that is best for Cape May County.**

Your vote on November 5th will help make the difference and we strongly encourage you to cast your vote for Liz Casey and Joyce Gould.

In Solidarity,

Steven M. Tully
