**WHEREAS**, on March 9, 2020 the State of New Jersey through Governor Phil Murphy issued Executive Order 103 proclaiming a statewide public health emergency; and

**WHEREAS**, since that date numerous Cumberland County Corrections Officers have been deemed essential employees working with a conscientious and industrious fervor to combat the pandemic of the coronavirus without the ability to exercise all of the CDC recommended guidelines for social distancing due to the nature of the work required of them; and

**WHEREAS**, these essential Cumberland County Employees have courageously placed their own health at risk and, in some cases, contracted Covid-19, by personally addressing and responding to the direct emergency and critical needs of the public; and

**WHEREAS**, the Cumberland County Board of Chose Freeholders wishes to ensure the efforts and commitment of these dedicated Employees is protected to the highest degree possible through the most transparent means necessary; and

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF CHOSEN FREEHOLDERS OF THE COUNTY OF CUMBERLAND, as follows:**

1. The Cumberland County Board of Chosen Freeholders mandates that the Cumberland County Department of Corrections publicly make available on a weekly basis the amount of Personal Protection Equipment in stock as well as the amount of Personal Protection Equipment that has been ordered in the timeframe between weekly public announcements, including the status of any orders (e.g., out of stock, back ordered, anticipated arrival date, etc.). The numbers publicly made available shall include donations from any third parties.
